FASHION STYLIST &
IMAGE CONSULTANT
MARILIZE DE CLERCQ

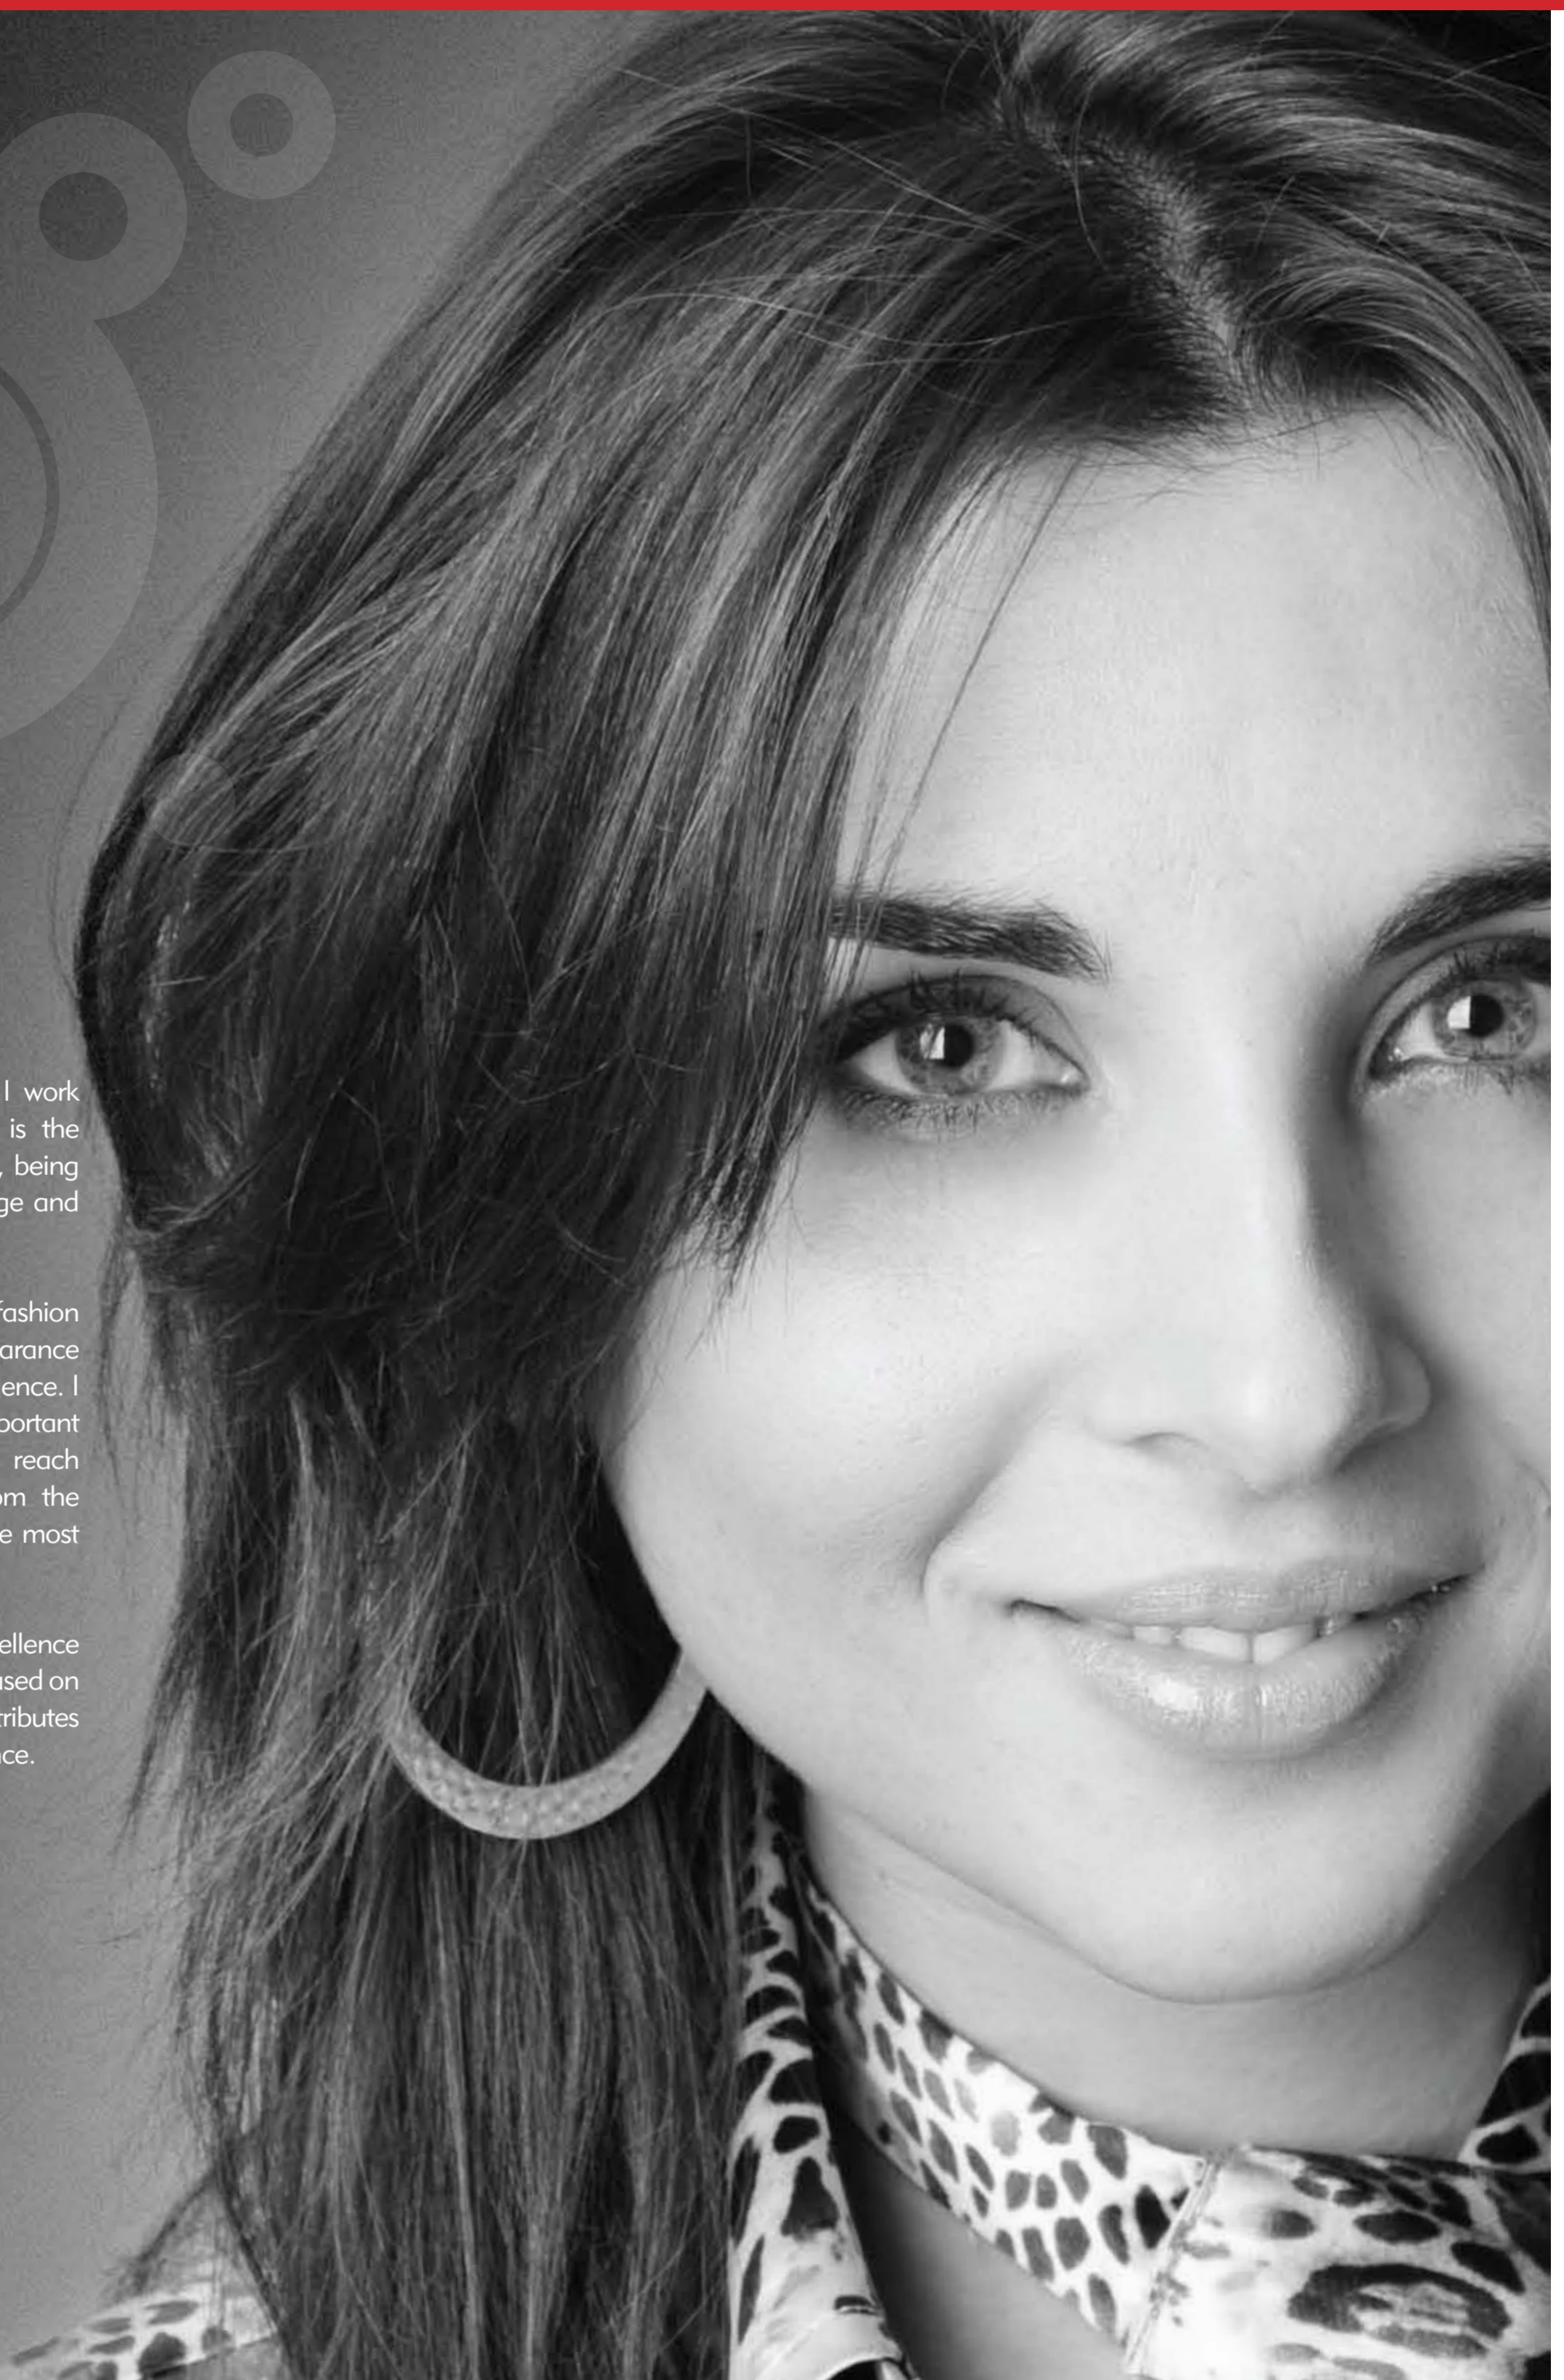

As a Fashion Stylist and Image Consultant I work closely with my clients. Therefore, honesty is the best policy in order to gain trust. Trust is vital, being the helping hand in creating someone's image and developing their style.

I am fortunate enough to have a career using fashion as a tool to help people enhance their appearance and by doing so, improving their overall confidence. I believe in living life with passion as it is an important ingredient to achieve great things and reach your dreams. Career satisfaction comes from the opportunity to use your gifts and talents in the most productive way.

To be an expert in my profession demands excellence in everything I do. Remember that success is based on knowledge, flair and talent. Develop these attributes through hard work, dedication and perseverance. Never compromise your dreams!
