# F E E S

**PLEASE NOTE** - The management of FEDISA (Pty) Ltd reserves the right to amend and revise its policies, including its fees policy, from time to time and may do so without notice.

Below is a summary explanation of all the various costs associated with studying at FEDISA.

**Please refer to the attached Fees Schedule for the associated amounts.**

## Application Fees

An application fee is payable when the application form is submitted. No application will be considered if the fee or proof of payment thereof is not attached. This is non-refundable.

## Tuition Fees

*Refer to attached Fees Schedule for relevant amounts.*

## Acceptance Fees

Within two weeks of confirmation of provisional acceptance of the first year students and second year transfer students, the applicable forms, together with the acceptance fee must be returned to FEDISA.

This amount will be credited to the student's account and will guarantee the student's seat in the class.

Should the student cancel or fail to take his/her place in the class, this amount will NOT be refunded or deferred.

Please note that failure to pay the acceptance fee within the prescribed period, will result in the candidate being placed on a waiting list, till such time as this amount is paid and the candidate's placement on the programme is therefore not guaranteed.

## Registration Fees

Prior to the date of registration, a registration fee must be paid. This amount will be credited to the student's account.

Prospective students are able to register once their applications have been finalised and they have been informed of a successful outcome.

Registrations will remain provisional till such time as the final Grade 12 results are submitted, or in the case of a second year transfer student, the first year results from your previous institution.

## Textbooks and Kits

While FEDISA has an extensive library and electronic research facilities, please keep in mind that students

will require extensive reading, which may not be available on campus and will therefore need to be acquired over and above any prescribed materials.

The cost of prescribed textbooks can only be finalised once prices are confirmed by the suppliers, closer to the time of FEDISA placing its orders. Please refer to the Fees Guide for the appropriate year of study.

All prescribed textbooks will be available from FEDISA after registration day.

## Adobe Creative Cloud - Student Licenses

All undergraduate students studying at FEDISA are required to acquire the Adobe Creative Cloud - Student Licenses.

These license agreements and fees, are annual agreements and need to be renewed at the start of each new academic year and such costs are managed on a cost recovery basis.

FEDISA will facilitate the acquisition and management of these user licenses.

The cost of the Adobe licenses are part of the total tuition fees.

## Additional Material Costs

Please be advised that the expenses associated with additional materials and textiles required for the program are the responsibility of the individual student and are not covered by FEDISA.

Each student is required to bear these additional costs independently. We strongly recommend that prospective students take this into account while planning their financial commitments for their studies at FEDISA.

## Annual Resources Levy

To ensure the ongoing quality of our educational offering, FEDISA not only needs to maintain, but also expand on our educational resources, in particular in the areas of IT and library resources. In order to accomplish this, an Annual Resources Levy is applied.

This levy covers the following items:

- Class Notes and Handouts
- Library and Computer Laboratory Access
- WGSN Online - Annual Subscriptions
- IT Support for Computer lab and auditorium
- Pattern drafting paper and card
- On-Campus Wi-Fi

The Resources levy is included in the fees.

## Sewing Equipment

### (Applicable to Bachelor of Arts Fashion only)

Students must supply their own portable sewing machines and over-lockers and must also note that these items are for their own cost and are not included in the tuition fees.

The recommended functionalities below conform to the minimum requirements of the FEDISA programme. It is not necessary for a student to invest in any higher specification equipment for the academic purposes of the FEDISA Degree programme.

- Bartack
- Backtack
- Buttonhole

- Required to effectively utilize heavy duty materials such as denim

Please refer to the **Computer Specification Sheet** included with this information pack.

No specific brand of device is prescribed. Students are solely responsible for keeping their equipment in working order.

## On Campus Parking

The Cape Town campus are centrally located for ease of access and also situated on or close to major public transport routes and hubs.

There is **limited** on campus parking available, so please take note of the following:

1. The available parking bays are **not** free or included in the tuition costs and do attract an additional cost.
2. The fees charged for the parking are based on a cost-recovery basis. We only recover what we are billed by the landlord.
3. Available bays are allocated on a "first come - first serve" basis, with preference given to students that have rented bays the previous year.
